We’re doing Great Things at D32!

Your schools have been working hard to improve student achievement and offer greater opportunities at every level:

- Increased student achievement as measured by Annual Performance Report from 70% in 2013 to 86% in 2015.

- Consistently earned 100% of the points granted by the state for high graduation rates.

- Scored higher than state average on the MAP Test in Spring 2016 in English (Grade 7 and high school); math (Grades 3 and 7); and science in Grade 8.

- Committed to serving more than the state required 75% high-needs students through Parents As Teachers; with 82% of our current students classified as high-needs.

- Raised the number of Gold WorkKeys® certificates from 9 to 15 in only six months at Perryville Area Career and Technical Center.

- Embraced technology with the addition of more than 500 devices in the last two years, expansion of our eMINTS teacher technology training program, with all teachers receiving Chromebooks this fall and all PHS students receiving Chromebooks in Fall 2018.
